

Public Relations

In communicating with the Technology Learning Center, the board has adopted the following policy:

There are only (3) persons authorized to speak “officially” for the Technology Learning Center. They are as follows:

- 1) The chairman speaks on behalf of the board of directors.
- 2) The president/CEO speaks on behalf of the corporation.
- 3) All other communication, including press releases, will come from Technology Learning Center’s director of communication.

Members of the press and media should note that no one, other than those listed above, is authorized to speak on behalf of the Technology Learning Center and its board.
